## 6<sup>TH</sup> GRADE WRITING ASSIGNMENTS

March 19, 2020 – March 30, 2020

Should you or your scholar have any questions regarding ELA assignments, please email me at [karen.perry@acaedu.net](mailto:karen.perry@acaedu.net).

- During your time of remote learning, you will write for 20 minutes every other day.
- It is preferred that you type your responses on a Google Doc, but you may complete them on notebook paper if necessary.
- Make sure your document has a complete heading.
- Each entry needs to be dated and include a title.
- Part of the assignment is using proper grammar and mechanics, so make sure you have edited and revised your entries prior to submitting them.
- **Please make sure your entry shows evidence of 20 minutes of uninterrupted writing per day. Your entry should be detailed and not just a few sentences.**

**3/19 (A) and 3/20 (B)**

### **A Perfect World**

Describe, in detail, your idea of what a perfect world would be like. What things would be eliminated? What things would be added? How would you take care of the world's problems?

**3/23 (A) and 3/24 (B)**

### **Memories**

Call your grandparents, aunts, uncles, etc. and ask how they are doing. Find out what their lives were like when they were your age. Learn as many new things about them as you can. Ask them to tell you about family members who have passed away. Ask them to tell you stories about their lives that they want you to tell YOUR great-grandchildren someday. You might even record the conversations! Write down the details you learn in your entry.

**3/25 (A) and 3/26 (B)**

### **Written Records of History**

You are living through a moment in history that people will look back on. One day, you will be telling your own children what you experienced during the Coronavirus pandemic of 2020. Your words will be a first-hand historical account (primary source) of these events that will be of great value in the future. In your entry describe what you do with your time, how you are feeling, what you're thinking, and what you're observing in the world around you.

**3/27 (A) and 3/30 (B)**

### **Complaints**

Take this time to complain about something that feels like a big deal to you right now. Talk about the emotions you are feeling and any injustice (unfairness) you think you are experiencing.
